**Re: Unauthorized Use and Infringement of O&M Halyard's
Trademarks by Sri Trang.**

Dear Counsel:

We represent O&M Halyard, Inc. ("O&M Halyard") in intellectual property matters. O&M Halyard owns exclusive trademark rights for: the color purple as used with gloves (U.S. Reg. Nos. 2596539 and 3099894). O&M Halyard also owns rights to the color gray as used with gloves (U.S. Supplemental Reg. No. 5613962)(collectively, the "O&M Halyard Marks"). O&M Halyard has been using the O&M Purple Color Mark on gloves since 2002, making O&M's Purple Color Mark incontestable.

We are writing in regard to Sri Trang's use of the O&M Halyard Marks on disposable gloves and in its advertising. As we believe Sri Trang may have been unaware of the O&M Halyard Marks, we are writing to inform you that Sri Trang is advertising disposable gloves bearing the O&M Halyard Marks. See **Exhibit A**.

As a trademark owner, O&M Halyard has a duty to enforce its trademark rights and to protect customers from confusion regarding the source and quality of gloves and other PPE bearing the O&M Halyard Marks. Failure to police the O&M Halyard Marks could put the validity of its Marks in question.

This letter is being sent to protest this unauthorized use of the O&M Halyard Marks. Sri Trang's use of the O&M Halyard Marks unfairly capitalizes on the goodwill and reputation embodied in the O&M Halyard Marks and implies that Sri Trang's products and services meet the safety standards of O&M Halyard and/or are endorsed by O&M Halyard. The public will and likely has already mistakenly believed that Sri Trang's use of the aforementioned O&M Halyard Marks is authorized, sponsored by, or is somehow affiliated with O&M Halyard.

This type of deceptive trade practice constitutes trademark infringement under Section 32(1) of the Lanham Act, 15 USC § 1114(1), a false designation of the original and false description under Section 43(a) of the Lanham Act, 15 USC § 1125(a), and violates state trademark and dilution statutes as well as common law principles of unfair competition and misappropriation. The activity actionable under federal law causes Sri Trang to be liable to O&M Halyard in every state in which it has made sales. In addition to U.S. law, the use of the O&M Halyard Marks in countries where O&M Halyard has obtained registered marks or pending marks likely violates the trademark laws of that Jurisdiction.

We hereby demand that Sri Trang **immediately cease and desist** from using the O&M Halyard Marks on any products/packaging, advertisements or in connection with any listings. We further request that Sri Trang or any affiliated entity or agent will: (1) immediately cease use of the O&M Halyard Marks or any marks confusingly similar to the O&M Halyard Marks, and (2) rescind and refrain from any further advertisements bearing the O&M Halyard Marks or any marks confusingly similar to the O&M Halyard Marks. Finally, Sri Trang will need to provide an accounting of all the disposable gloves sold using the O&M Halyard Marks, or any marks confusingly similar to the O&M Halyard Marks, so we can discuss a resolution to this matter.

This is an extremely serious matter to O&M Halyard, and we have been instructed to take all steps necessary to ensure that O&M Halyard's valuable, well-established rights are protected.

We appreciate your cooperation in this matter and look forward to receiving your response by **July 19, 2022**. Failure to comply with the terms of this letter on or before **July 19, 2022**, may result in O&M Halyard taking further legal action.

This letter is sent without prejudice to O&M Halyard's rights and claims, all of which are expressly reserved.

Regards,

/s/ Andrea E. Bates, Esq.
